

Unit 1: My Land

Chapter 1 – Together We Can

Let us Think (Page 2)

A. Answer the following.

1. What happens when you join hands with your team?

Answer:

When I join hands with my team, our unity creates a positive and joyful atmosphere. This makes success feel within reach when everyone works together and supports each other.

2. Why is helping each other important?

Answer:

Helping each other is important because it makes us stronger and more confident, and helps us achieve our goals no matter what challenges come our way.

B. Think and discuss.

1. What makes you feel joyful?

Answer:

Playing as a team with my friends makes me feel joyful.

2. Can you think of a good activity that you can do together with a friend?

Answer:

Playing team sports, board games, and reading books are some activities I would love to do with a friend.

3. Have you ever lost a game? How did you feel?

Answer:

Yes, I have lost games before. It felt a little sad at first but then I thought about what I could learn from it. Losing helped me understand my mistakes and do better next time.

4. Imagine you are the team leader of a group project, and two of your teammates disagreed with each other for some reason. What would you do to unite your team again?

Answer:

I would try to unite them by explaining that it's normal to have differences of opinion and that we should respect each other's viewpoints without taking things personally. As a team leader, I would also talk to both teammates individually to bring them together and encourage them to focus on the common goal of the team.
